### **The Westminster Review**

Mystery surrounds the parentage of Alexander, the prince born to Queen Olympias. Is his father Philip, King of Macedonia, or Nectanebo, the mysterious sorcerer who seduced the queen by trickery? One thing is certain: the boy is destined to conquer the known world. He grows up to fulfil this prophecy, building a mighty empire that spans from Greece and Italy to Africa and Asia. Begun soon after the real Alexander's death and expanded in the centuries that followed, The Greek Alexander Myth depicts the life and adventures of one of history's greatest heroes - taming the horse Bucephalus, meeting the Amazons and his quest to defeat the King of Persia. Including such elements of fantasy as Alexander's ascent to heaven borne by eagles, this literary masterpiece brilliantly evokes a lost age of heroism.

### **Romance of Roman Villas (the Renaissance)**

“And God raised up against Solomon another adversary, Rezon, son of Eliada, who had fled from his master, Hadadezer, king of Zobah.” 1 Kings 11:23 Despite a tumultuous childhood, Rezon was a happy boy. In a time when David was king of an expanding Israel and the lands of Zobah were ruled by the ruthless King Hadadezer, he grew up in a loving, caring family. In the Mountains of Fire, his family found safety and security, and he found love. It seemed as though the family would live peacefully in the mountains forever – but the insecurities of Hadadezer would not let them have peace. When his family and the love of his life are destroyed, Rezon descends into a life of hatred, fury and vengeance. But revenge is a two-sided sword, a destructive force which inhabits the entire being of its host Will Rezon prevail against his foe? Or will his hunger for vengeance end up destroying him? Follow his story as he endeavours to survive in a world filled with biblical characters and

real events. This story never happened but it could have. The Bandit King, an epic tale of love, loss and revenge, will appeal to those with an interest in biblical history and skilful re-imaginings of historical events.

A missing legacy, a stolen son, and one dangerous secret changed everything for them SHE STOLE MY PROPERTY I'll never forget the night I caught her sneaking around my place. She thought she could steal from me and get away with it, but I have no intention of letting her get away at all. Mian Ross has a lesson to learn, and I'm going to be the one to teach it to her. HE STOLE MY SON I'll never forget the night I made the second biggest mistake of my life. It was supposed to be a simple job, but it quickly became so much more--one that cost my freedom and cost my son. Angel Knight became my worst nightmare and now, he'll never let us go.

## **King Arthur and the Table Round: Arthurian romance. Erec and Enide. Alexander and Soredamor. The knight of the lion**

In this story, John Cowart explores the complex social, political and religious forces that dominated Medieval Spain during the Reconquista. Jews were caught in the middle of this titanic struggle between Christian and Muslim. The Moors drive Hernan from his castle, and he flees to Leon. There, he meets Rachel, the daughter of Abraham Ben Kohen, the king's chancellor. Their love grows in spite of their religious differences. She is a Jew, and he a Christian. When Ben Kohen is killed, the king blames Hernan and promises Rachel to another in marriage. Forced into exile, Hernan has lost everything. He must overcome his prejudices and reconcile with his worst enemy to regain his fortune and win the hand of the one he loves.

## **Bandit Bound**

Vianne di Rocancheil has been largely content to play the gawky provincial. As lady in waiting at the Court of Arquitaine,

she studies her books, watches for intrigue, and shepherds her foolhardy Princesse safely through the glittering whirl. Court is a sometimes-unpleasant waltz, especially for the unwary, but Vianne treads its measured steps well. Unfortunately, the dance has changed. Treachery is afoot in gilded and velvet halls. A sorcerous conspiracy is unleashed, with blood, death, and warfare close behind. Her Princesse murdered and her own life in jeopardy, Vianne must flee, carrying the fate of her land with her--the Great Seal of Arquitaine, awake after its long sleep. Invasion threatens, civil war looms, and the conspiracy hunts for Vianne di Rocancheil, to kill or to use her against all she holds dear. A life of dances, intrigues, and fashion has not prepared her for this. Nor has it prepared her for Tristan d'Arcenne, Captain of the King's Guard and player in the most dangerous games conspiracy can devise. Yet to save her country and avenge her Princesse, Vianne will become what she must, say what she should, and do whatever is required. A Queen can do no less. ### **The Bandit King**

What Jesse James was to the United States, Lampião was to Brazil, and then some. With a band that at times numbered a hundred or more, this notorious bandit confronted state armies on more than equal terms and cowed political bosses, virtually dominating large sections of his native northeastern backlands during the 1920s and 1930s. Although Lampião was often brutal and merciless, his occasional acts of compassion, together with his exploits, have made him a folk figure in Brazil. Based on contemporary news accounts, archival materials, and extensive interviews by the author, this book presents the first systematic and reliable account of the famed desperado. Examining Lampião's career from his boyhood in Pernambuco to his death at Angicos, Chandler sorts fact from fiction and places the bandit in the context of the backlands, where in the early part of this century becoming a cangaceiro (bandit) was as natural and attractive to the son of a tenant or small farmer as taking a degree in law or medicine was for the sons of the Recife or Salvador elite. Chandler sees Lampião and other cangaceiros as the inevitable products of a lawless society in which frontier conditions reminiscent of the American West persisted far into the twentieth century.

### **Scarlet and the White Wolf**

2015 REVISED EDITION Scarlet of Lysia is an honest pedlar, a young merchant traveling the wild, undefended roads to support his aging parents. Liall, called the Wolf of Omara, is the handsome, world-weary chieftain of a tribe of bandits blocking a mountain road that Scarlet needs to cross. When Liall jokingly demands a carnal toll for the privilege, Scarlet refuses and an inventive battle of wills ensues, with disastrous results. Scarlet is convinced that Liall is a worthless, immoral rogue, but when the hostile countryside explodes into violence and Liall unexpectedly fights to save the lives of Scarlet's family, Scarlet is forced to admit that the Wolf is not the worst ally he could have, but what price will proud Scarlet ultimately have to pay for Liall's friendship?

### **The Bandit King**

**Finding List of Books & Pamphlets: Embracing belles-lettres (poetry, drama, romance, literary history and criticism, essays, oratory, humor, satire, etc.) together with language, bibliography and general reference books**

South Austin redneck meets Mayan surrealism. Disillusioned by the complacency of modern American society and generally bored, Dylan King and his traveling companion, Sam ODonnel head for Mexico seeking adventure and fortune. Through a sequence of events that is being choreographed by ancient deities through dreams, the travelers become deeply involved in a violent revolution in Mexico that eventually alters the balance of power in the Western Hemisphere forever. Kings association with the mysterious and beautiful Marcella Springs, who is actually the embodiment of a pre-Columbian goddess, and Alvarez, her chosen warrior, provide the backdrop for a tale that shakes our traditional world views and explores the world of metaphysics and separate realities from a perspective refreshed by recent discoveries in the field of quantum physics and laced with an ample supply of down home sex and humor.

### **The Bandit King**

## **The Bandit King**

### **The Romance of Early Exploration**

#### **Reconquista: A Romance of Spain**

"I have passed through a series of rather remarkable adventures since I came to Lutha," said Barney apparently quite irrelevantly, after the two had remained silent for a moment. "Shortly after my car fell upon you I was mistaken for the fugitive King Leopold by the young lady whose horse fell into the ravine with my car. She is a most loyal supporter of the king, being none other than the Princess Emma von der Tann. From her I learned to espouse the cause of Leopold." ~~~ Edgar Rice Burroughs created one of the most iconic figures in American pop culture, Tarzan of the Apes, and it is impossible to overstate his influence on entire genres of popular literature in the decades after his enormously winning pulp novels stormed the public's imagination. The Mad King, first published in book form in 1926 and difficult to find in print, is the rollicking yarn of American Barney Custer, who is mistaken for a deranged sovereign in the faraway land of Lutha. Perhaps Burroughs's most outrageously grandiloquent work, this tale of daring swordfights, damsels in distress, and diabolical villains is a favorite among true Burroughs devotees. American novelist EDGAR RICE BURROUGHS (1875-1950) wrote dozens of adventure, crime, and science-fiction novels that are still beloved today, including Tarzan of the Apes (1912), At the Earth's Core (1914), A Princess of Mars (1917), and Pirates of Venus (1934). He is reputed to have been reading a comic book when he died.

Journalist Casey McConnell went to Sicily to interview outlaw-turned-hero Antonio "Toto" Butera. But when she got there, it was Rico, the old bandit's son, who stole her heart. Dark, exotic and muy macho, Rico's touch was gentler than the Mediterranean breeze. But they lived worlds apart, and Casey feared that the most thrilling love of her life was destined to become a memory.

## **Historical Tales, the Romance of Reality**

Tristan d'Arcenne is what he always wished to be--Vianne di Rocancheil's Consort. But Vianne is no more a noblewoman, she is the Queen of Arquitaine, faced with treachery, invasion, war, and a Consort whose secrets may well shatter their marriage. For before Tristan was hers, he belonged to a King and that King died by Tristan's hand. Arquitaine needs them both. The country is locked in a deadly game whose rules change by the moment. The Queen is an adept player, but hardly ruthless enough. The contest requires a man who has nothing to lose, a man who has already done the worst and will continue to do so for his wife, his country, and his own salvation.
