The Eleventh Hour Before Midnight

Hibis Temple, tucked away in the remote Khargeh Oasis, contains the longest monumental hymns to Amun-Re ever carved in hieroglyphs. These religious texts, inscribed during the reign of Darius I, drew upon a large variety of New Kingdom sources, and later they served as sources for the Graeco-Roman hymns at Esna Temple. As such, the hymns to Amun-Re from Hibis are excellently suited for studying Egyptian theology during the Persian Period, on the eve of the supposed "new theology" created by the Graeco-Roman priesthood. This new study, the first extensive commentary on the five liturgically connected hymns, features new translations with detailed notes. The book also considers dominant theological themes present in the texts, including the concept of "Amun within the Iris."

One of the most accomplished and renowned writers of Canada, winner of the Governor General's Award and the National Magazine Award, presents a collection of his poetry, based on his experiences in later life.

The God Who Rejoices

Five years after a tragic expedition put New Hope Island back in the headlines, past-his-prime crime author Dennis Thorpe leads a writers retreat to that secluded corner of the Hebrides. The group is never seen again. Ruthie Gillespie, the beautiful, heavily tattooed, hard-drinking author of dark tales for children, was supposed to be among their number but something

stopped her at the eleventh hour, and it isn't long before the police come knocking. Ruthie falls deeper and deeper into a web of dark magic and darker secrets as it becomes clear that the writers' pasts are not what they seem. How far can you take an investigation when your own life is threatened? Do you continue, knowing that you must find the answers before the Island claims another victim? Or do you run and hope that it never catches up with you?

Why did Christianity begin, and why did it take the shape it did? To answer this question -- which any historian must face -- renowned New Testament scholar N. T. Wright focuses on the key points: what precisely happened at Easter? What did the early Christians mean when they said that Jesus of Nazareth had been raised from the dead? What can be said today about this belief? This book, third in Wright's series *Christian Origins and the Question of God*, sketches a map of ancient beliefs about life after death, in both the Greco-Roman and Jewish worlds. It then highlights the fact that the early Christians' belief about the afterlife belonged firmly on the Jewish spectrum, while introducing several new mutations and sharper definitions. This, together with other features of early Christianity, forces the historian to read the Easter narratives in the gospels, not simply as late rationalizations of early Christian spirituality, but as accounts of two actual events: the empty tomb of Jesus and his "appearances." How do we explain these phenomena? The early Christians' answer was that Jesus had indeed been bodily raised from the dead; that was why they hailed him as the messianic "son of God." No modern historian has come up with a more convincing explanation. Facing this question, we are confronted to this day with the most central issues of the Christian worldview and theology.

The Case for Christ's Resurrection

Does life feel futile? Doesn't have to. Do some of your failures seem fatal? They aren't. And your death. Does the grave appear to be the final stop? According to Christ, your death is just the start of the something great. There is a truth greater than all the losses and sorrows of life. And it can be discovered in the life, death, and resurrection of Jesus Christ. In Six Hours One Friday, Max Lucado delves into the meaning of Jesus' last hours on the cross. Through his death, your life has purpose and meaning. You are forgiven and loved by a Savior who died for you. And an empty tomb proclaims that death does not have the final word. "Peace where there should be pain. Confidence in the midst of crisis. Hope defying despair. Does death have the last word? I can see Jesus wink as he gives the answer, Not on your life."

Examine the evidence presented in the New Testament. It shows that the Christian belief in the resurrection of Jesus is not based on historic evidence. The New Testament evidence is contradictory in fundamental issues and events. Its most salient promise -- that of a return by Jesus within the lifetime of his contemporaries never occurred. Christian apologists have spent the last 2000 years devising many different and often contradictory explanations of what they allege the New Testament really means when it promises a quick return by Jesus. They cannot all be right, but they can all be wrong. When all the Christian theological myths are seen for the fantasies they are it comes down to this -- Jesus was never God's son, did not shed his blood on the cross, was not a substitute who took upon himself the punishment for the sins of others, did not die to save sinners and was not resurrected. And he is never coming back.

The Resurrection of the Son of God

New Delhi, 2017. It is nine years since the 26/11 terror attacks in Mumbai and the wounds have still not healed. Especially not for Superintendent of Police Vikrant Singh, who ends up landing a slap on the High Commissioner of Pakistan's face when he meets him at an event. Meanwhile, in Bhopal, five members of the Indian Mujahideen, arrested by Vikrant, break out of the Central Jail. Vikrant, suspended for the diplomatic disaster, is unofficially asked to assist the team tracking the escaped terrorists. In another part of the country, a retired tycoon, a heartbroken ex-soldier and a young woman dealing with demons of her own embark on a journey of self-discovery aboard a cruise liner from Mumbai to Lakshadweep. Fate, however, has other plans, and the cruise liner is hijacked. Racy and riveting, this is Hussain Zaidi at his best.

How does one deal with despair? Are joy and despair irreconcilable? How does the joy and despair of Jesus Christ relate to our joy and despair? Continuing to explore the implications of the vicarious humanity of Christ as he did in *The God Who Believes*, Christian Kettler investigates the christological implications of the all too human phenomenon of despair. All people experience the pain of personal loss and lack, of the meaninglessness of existence. We also desire and covet joy, as difficult as it is often to define or maintain. Jesus was both "the man of sorrows" and one who "for the joy set before him endured the cross" (Heb 12:2). Can we think of the despair of Christ and the joy of Christ as both being vicarious, in our place and on our behalf, and thus have a theological way to possess joy in the midst of despair as well as to have a more robust theology of the atonement? Drawing on wide-ranging resources from Augustine, Calvin, Karl Barth, and T. F. Torrance to Bob Dylan, the fantasy writer Ray Bradbury, and Ed Wood, the director of *Plan Nine from Outer Space*, Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh, filled with real despair and joy, and find that Jesus is there, with his own despair, there to lift us up with his own joy.

St. Paul's Epistles; The General Epistles; The Book of Revelations, and Indexes

A compelling outline of irrefutable examples, taken from the Holy Bible furnishing proof of a super-natural numbering system, which confirms God as the sole author. Miracles can come in many ways. "The Eleventh Hour" is one such example. God turned a personnel tragedy into the impetus to discover a modern day unfolding of an unknown numbering system in the Holy Scriptures, seemingly unnoticed for centuries. Within these pages you will find absolute proof that will end all debates concerning the authenticity of the Bible. Clear evidence will be presented that will support these claims. If you carefully follow these numbers and the truths they represent, they will solidify the message. After embarking on this fascinating path, the historical and prophetic implications of these numerals and their locations should challenge all to come to a realization and some genuine soul searching. Some of the topics discussed, having great significance are; The harmony of the individual writers of each book. Proof of the Bibles infallibility. Israel's place in history past present and future. Jesus Christ's Messianic fulfillment through the lineage of King David. God's Sovereign hand over His creation throughout history. Prophetic witness as it relates to current world events. Everyone should be able to determine

conclusively that these writings are not some cleverly devised fairy tale or folklore from the Middle Ages, as some insinuate. It is the unadulterated word of Almighty God.
