Covid-19 has required an urgent and cross-practice initiative to facilitate the extensive impact this pandemic has across all industries. IFoA members have been keen to contribute in a different way, so we developed the IFoA Covid-19 Action Taskforce [ICAT] to coordinate our effort, with a more efficient governance.

Charles McGraw - IMDb

Charles McGraw, Actor: Spartacus. Stony-faced, grizzled-looking tough guy Charles McGraw (real name Charles Butters) notched up dozens of TV and film credits, usually portraying law enforcement figures or military officers, plus the odd shifty gangster. While at high school he worked as a theatre usher and was nicknamed "Chick" by his friends. At 17, he returned to his home town

Urine catecholamines or metanephrines measured in a 24-hour collection; if diagnosed, the tumor must be localized using radiologic imaging ed. Harrison's Principles of internal medicine. 13th

Gear - Wikipedia

A gear is a rotating circular machine part having cut teeth or, in the case of a cogwheel or gearwheel, inserted teeth (called cogs), which mesh with another toothed part to transmit torque. A gear may also be known informally as a cog. Geared devices can change the speed, torque, and direction of a power source. Gears of different sizes produce a change in torque, creating a mechanical advantage
