## **The Purpose Driven Life Journal**

Foreword by Julia Sweeney In his own inimitable style, Robert Price in this volume challenges Rick Warren's bestselling book: A Purpose Driven Life. With the rapier's sword of Price's insight wrapped in a devastating sense of humor, he leaves not just Warren but all similar fundamentalistic religious leaders bleeding and exposed for what they are: anxiety-driven, survival-seeking, power-hungry people masquerading under the banner of piety or hiding behind the sounds of the sacred.-John Shelby Spong, Author of A New Christianity for a New World The wittiest, most thorough, and most devastating critique of the religion of the Evangelicals that I have ever read. It left me wondering how the religion of great Protestant heroes of

faith like Luther and Bunyan can have turned into the inane religion of Ned Flanders, Homer Simpson's neighbor.-Don Cupitt, Anglican priest, Fellow of Emmanuel College in Cambridge University, religious philosopher, and the author of forty books

Pastor Rick Warren's *The Purpose-Driven Life* has been both a commercially successful best seller and a widely influential book in the Christian community. As a rejoinder to the fundamentalist assumptions of Warren's book, Robert M. Price, a biblical scholar, a member of the Jesus Seminar, and a former liberal Baptist pastor, offers this witty, thoughtful, and detailed critique. Following the concise forty-chapter structure of Warren's book, Price's point-counterpoint approach emphasizes the importance of reason in understanding life's realities as opposed to Warren's devotional perspective. Price, who was once a born-again Christian in his youth, is in a unique position to offer an appreciation of the wisdom that Warren shares while at the same time challenging many of his main points. In particular, Price takes issue with Warren's use of numerous scriptural quotations, demonstrating how many of them have little to do with the points Warren is trying to make. An important section of the book shows that the popular evangelical notion of a personal relationship with Jesus Christ is utterly without any scriptural basis. Besides criticism, Price also provides many persuasive arguments for the use of reason as a tool for developing moral maturity and an intelligent, realistic perspective on life's highs and lows. Ultimately, the reason-driven life offers a healthier, alternative approach to wisdom and motivation, says Price, than the simplistic answers and feel-good emotionalism at the heart of Warren's prescription for life.

Robert M. Price, Ph.D. (Selma, NC), professor of scriptural studies at the Johnnie Colemon Theological Seminary, is the editor (with Jeffery Jay Lowder) of *The Empty Tomb: Jesus Beyond the Grave* and the *Journal of Higher Criticism*. He is also the author of *Top Secret: The Truth Behind Today's Pop Mysticism*; *The Paperback Apocalypse: How the Christian Church Was Left Behind*; *The Reason-Driven Life: What Am I Here on Earth For?*; *The Incredible Shrinking Son of Man*; and *Deconstructing Jesus*; among other works.

### **Purpose Driven Life**

10 years ago, Rick Warren wrote *The Purpose Driven Life*, which became the bestselling hardback non-fiction book in

history, and is the second most-translated book in the world, after the Bible. PDL has inspired and changed tens of millions of lives more than any modern book. NOW, Rick has updated and expanded the book with new chapters on the greatest barriers to living your purpose, plus 42 video introductions to each chapter theme, and 42 additional audio messages that go deeper into each chapter. He has also created a new small group curriculum and new sermon series for pastors, and new follow-up events to conserve the evangelistic and discipleship results you will experience. In the original 40 Days of Purpose campaign, churches averaged 28% growth in attendance, and over 100% growth in small group Bible study! People WANT to know their purpose in life! The Purpose Driven Life will enable a new generation in your church to discover God's purposes for their lives and empower your church with a fresh new wind of hope, joy, and vitality! Amazon.com Review The spiritual premise in The Purpose-Driven Life is that there are no accidents---God planned everything and everyone. Therefore, every human has a divine purpose, according to God's master plan. Like a twist on John F. Kennedy's famous inaugural address, this book could be summed up like this: "So my fellow Christians, ask not what God can do for your life plan, ask what your life can do for God's plan." Those who are looking for advice on finding one's calling through career choice, creative expression, or any form of self-discovery should go elsewhere. This is not about self-exploration; it is about purposeful devotion to a Christian God. The book is set up to be a 40-day immersion plan, recognizing that the Bible favors the number 40 as a "spiritually significant time," according to author Rick Warren, the founding pastor of Saddleback Church in Lake Forest, California, touted as one of the nation largest congregations. Warren's hope is that readers will "interact" with the 40 chapters, reading them one day at a time, with extensive underlining and writing in the margins. As an inspirational manifesto for creating a more worshipful, church-driven life, this book delivers. Every page is laden with references to scripture or dogma. But it does not do much to address the challenges of modern Christian living, with its competing material, professional, and financial distractions. Nonetheless, this is probably an excellent resource for devout Christians who crave a jumpstart back to worshipfulness. --Gail Hudson From Publishers Weekly Pastor of Saddleback Church, a Southern Baptist mega-church in southern California with weekly attendance of more than 15,000, Warren now applies his highly successful "purpose-driven" framework, developed in the best-seller The Purpose-Driven Church, to individual experience. The same principles Warren has taught to thousands of pastors to help churches be healthy and effective can also drive lives, he says. The book argues that discerning and living five God-ordained purposes-worship, community, discipleship, ministry and evangelism-is key to effective living. His 40 short chapters are intended to be read over 40 days' time, giving readers small pieces of his purpose-discovering program to chew on. Warren certainly knows his Bible. Of 800-plus footnotes, only 18 don't refer to Christian Scripture. He deliberately works with 15 different Bible translations, leaning heavily on contemporary translations and paraphrases, as an interesting way of plumbing biblical text. The almost exclusively biblical frame of reference stakes out the audience niche for this manual for Christian living. It's practical yet paradoxically abstract, lacking the kind of real-life examples and stories that life-application books usually provide in abundance. The book has flaws editing might have fixed. People are quoted without being identified, and subheads simply repeat lines of text, which tends to make the prose sound too simple. This book is not for all, but for those needing a certain kind of scriptural rock, it is solid. Copyright 2002 Reed Business Information, Inc.

## **The Reason Driven Life**

With her characteristic brilliance, grace and radical audacity, Angela Y. Davis has put the case for the latest abolition movement in American life: the abolition of the prison. As she quite correctly notes, American life is replete with abolition movements, and when they were engaged in these struggles, their chances of success seemed almost unthinkable. For generations of Americans, the abolition of slavery was sheerest illusion. Similarly, the entrenched system of racial

segregation seemed to last forever, and generations lived in the midst of the practice, with few predicting its passage from custom. The brutal, exploitative (dare one say lucrative?) convict-lease system that succeeded formal slavery reaped millions to southern jurisdictions (and untold miseries for tens of thousands of men, and women). Few predicted its passing from the American penal landscape. Davis expertly argues how social movements transformed these social, political and cultural institutions, and made such practices untenable. In *Are Prisons Obsolete?*, Professor Davis seeks to illustrate that the time for the prison is approaching an end. She argues forthrightly for "decarceration", and argues for the transformation of the society as a whole.
