In this provocative new book, award-winning political journalist Will Bunch unravels the story of how a right-wing cabal hijacked the mixed legacy of Ronald Reagan, a personally popular but hugely divisive 1980s president, and turned him into a bronze icon to revive their fading ideology. They succeeded to the point where all the GOP candidates for president in 2008 scurried to claim his mantle, no matter how preposterous the fit. With clear eyes and an ever-present wit, Bunch reveals the truth about the Ronald Reagan legacy, including the following: Despite the idolatry of the last fifteen years, Reagan's average popularity as president was only, well, average, lower than that of a half-dozen modern presidents. More important, while he was in office, a majority of Americans opposed most of his policies and by 1988 felt strongly that the nation was on the wrong track. Reagan's 1981 tax cut, weighted heavily toward the rich, did not cause the economic

recovery of the 1980s. It was fueled instead by dropping oil prices, the normal business cycle, and the tight fiscal policies of the chairman of the Federal Reserve appointed by Jimmy Carter. Reagan's tax cut did, however, help usher in the deregulated modern era of CEO and Wall Street greed. Most historians agree that Reagan's waste-ridden military buildup didn't actually "win the Cold War." And Reagan mythmakers ignore his real contributions -- his willingness to talk to his Soviet adversaries, his genuine desire to eliminate nuclear weapons, and the surprising role of a "liberal" Hollywood-produced TV movie. George H. W. Bush's and Bill Clinton's rolling back of Reaganomics during the 1990s spurred a decade of peace and prosperity as well as the reactionary campaign to pump up the myth of Ronald Reagan and restore right-wing hegemony over Washington. This effort has led to war, bankrupt energy policies, and coming generations of debt. With masterful insight, Bunch exposes this dangerous effort to reshape America's future by rewriting its past. As the Obama administration charts its course, he argues, it should do so unencumbered by the dead weight of misplaced and unearned reverence.

All I Want for Christmas Is a Vampire

Toni Davis's Christmas wish list 1. Springing my best friend from the psych ward. 2. Living somewhere that doesn't have coffins in the basement. Occupied coffins. 3. Finding Mr. Right. Please make him tall, dark, handsome, and alive. This Christmas

isn't so merry for Toni. Her best friend's been locked up in a mental hospital ever since she told the police she was attacked by vampires, and the only way for Toni to get her out is to prove that bloodsuckers really do exist. So she's taken a job as a bodyguard for the Undead, but she gets more than she bargained for, especially when she meets Ian MacPhie, a Scottish rascal looking for Ms. Right. Although Ian's nearly five centuries old, he looks and acts like a twenty-seven-year-old hunk. How can a dead man be so damn sexy? Could Mr. Wrong be Mr. Right? One forbidden kiss could lead to an eternity of passion—and all it takes is one moment under the mistletoe . . .

Among the Mad

New York Times Bestseller It promises to be a busy week for Hannah Swensen. Not only is she whipping up treats for the chamber of commerce booth at the Tri-County fair, she's also judging the baking contest; acting as a magician's assistant for her business partner's husband; trying to coax Moishe, her previously rapacious feline, to end his hunger strike, and performing her own private carnival act by juggling the demands of her mother and sisters. With so much on her plate, it's no wonder Hannah finds herself on the midway only moments before the fair closes for the night. After hearing a suspicious thump, she goes snooping—only to discover Willa Sunquist, a student teacher and fellow bake contest judge, dead alongside an upended key lime pie. But who would want to kill Willa and why? Now Hannah

needs to crank up the heat, hoping that Willa's killer will get rattled and make a mistake. If that happens she intends to be there, even if it means getting on a carnival ride that could very well be her last. . . "Yummy. . .Fluke has developed a charming supporting cast who all feel like friends by the time the murder is solved. The dozens of tempting recipes Fluke includes are an added treat." --Publishers Weekly

Pleased by the English Spy

Provides instructions for hundreds of culinary techniques including separating eggs, lining cake pans, preparing chicken for broiling, and making rib roast.

Key Lime Pie Murder

President Will Lee is having a rough week. As he prepares for the upcoming election, the usually cool and collected President Lee has several crises going on at once, from loose nukes to a close political ally with skeletons in his closet. And as if that weren't enough, Kate Rule Lee, his first lady and CIA director, is contending with another threat: the return of the dangerous and unusually cunning fugitive Teddy Fay. From double-crossing political appointees to an impending sex scandal, there's plenty of the usual trouble to be found in Washington. But the threat from

abroad looming, the president puts every resource he has—including Lance Cabot and Holly Barker—into damage control as the clock ticks down to election night. From the seedy world of muck-raking journalism to the murderous hotspots of Central America, there's enough intrigue to keep even the sharpest and most daring of intelligence agents on edge. With his usual blistering pace and dry wit, Stuart Woods has created another adventure that shows why he's truly the master of the genre.

Mounting Fears

English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

Thugs and Why Women Should Run From Them

Tear Down This Myth

Woman to woman, I wish I would have been more attentive and mom would have stomped her feet a little harder when she saw I wasn't paying close attention when she spoke about dealing with men and relationships. Now at the age where I probably have more days behind me, than ahead of me and the misadventures I've incurred down those years, I'm stomping my feet and asking my beautiful Sisters and Brothers, young and not so young, to just stop and listen for a minute. No one wants to see their love ones go through complexities, especially those that can be avoided. Most of us hate to say, 'We told you this was going to happen if' but if insightful words continue to fall upon closed ears, 'He'll walk, stomp and spit on your feelings.' It is so easy to gain a man's respect and loyalty. It starts by respecting and being loyal to ourselves, he'll soon catch on!

An Ice Cold Grave

In the thrilling new novel by the New York Times bestselling author of An Incomplete Revenge, Maisie Dobbs must catch a madman before he commits

murder on an unimaginable scale It's Christmas Eve 1931. On the way to see a client, Maisie Dobbs witnesses a man commit suicide on a busy London street. The following day, the prime minister's office receives a letter threatening a massive loss of life if certain demands are not met—and the writer mentions Maisie by name. After being questioned and cleared by Detective Chief Superintendent Robert MacFarlane of Scotland Yard's elite Special Branch, she is drawn into MacFarlane's personal fiefdom as a special adviser on the case. Meanwhile, Billy Beale, Maisie's trusted assistant, is once again facing tragedy as his wife, who has never recovered from the death of their young daughter, slips further into melancholia's abyss. Soon Maisie becomes involved in a race against time to find a man who proves he has the knowledge and will to inflict death and destruction on thousands of innocent people. And before this harrowing case is over, Maisie must navigate a darkness not encountered since she was a nurse in wards filled with shell-shocked men. In *Among the Mad*, Jacqueline Winspear combines a heart-stopping story with a rich evocation of a fascinating period to create her most compelling and satisfying novel yet.

Jacques Pepin's Complete Techniques
