## **The Right Kind of Strong**

Inundated by popular culture, many women have lost their bearings and no longer

trust the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. *Girls Gone Wise in a World Gone Wild* will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that journey. Includes questions for personal reflection at the end of each chapter

## **Walking in the Truth**

Award-winning author Mary Kassian provides readers a biblical guide to becoming the strong, resilient, capable women God created them to be. Our culture teaches us that it's important for women to be strong. The Bible agrees. Unfortunately, culture's idea of what makes a woman strong doesn't always align with the Bible's. As a result, Christians often have a skewed view of what constitutes strength. In *The Right Kind of Strong*, Mary Kassian delves into Paul's exhortation in 2 Timothy about the women of the church in Ephesus and uncovers warnings and truths about seven habits that can sap women's strength. She reveals how, by guarding against these seven pitfalls, Christian women can walk in freedom and grow to be strong God's way.

## **True Woman 101**

Technology has allowed us to connect with more people in more places than ever before. Sure we have "friends" we even have "followers" and yet, a silent epidemic is sending shock waves straight into our living rooms. What is this hidden disease? Loneliness. Popular author Erin Davis knows what it's like to feel lonely. She knows how it feels to have many friends, a full schedule, and a pit in her stomach. As she wrestled her own feelings of loneliness to the ground, Erin started to feel like the scientist charged with finding the cure for the lonely epidemic—a journey that has proved to be funny, encouraging, and helpful. What is causing the pain of loneliness to gnaw at our hearts? What does God know about feeling alone? While swimming in a sea of people, what's a lonely girl to do? Where should she turn for a life raft? Erin has traveled across the country to talk with other women and answer these questions for us all. Come along in *Connected* to learn about her journey as well as the stories of women who are probably a lot like you!

## **A Gift Divine**

Can you have a strong personality and still be a godly wife? YES! Do you ever get the idea that being a godly wife means you need to be a mousy doormat? Be as

unnoticeable as a doorknob? Or have a personality transplant? Fierce Women: The Power of a Soft Warrior smashes that idea. No matter whether you're an extrovert or more introverted, Kimberly Wagner believes women are created to be a compelling force. You may not see yourself as beautifully fierce or even slightly strong, but what if God has placed a powerful fierceness within you, within every woman? Kim admits her fierceness became a source of conflict in her marriage, but the relationship dynamic totally changed when she discovered her fierce strengths could be used to encourage and inspire her husband. She invites you to come alongside as she takes an honest look at a destructive relationship dynamic and casts a vision for the transformation God can bring to troubled marriages. A True Woman Book; the goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

## **Becoming God's True Woman**

This book was written to help a person find their internal quarrels in written words. Written words bring about a different perspective. To overcome something, you must be able to see it from a different viewpoint, you must be able to analyze and understand it in order to accept it or move past it. The most important step in the healing process is acknowledgement that what you are feeling is okay to feel, and that you are not alone in those feelings. Get lost in this book and find yourself in it, all at the same time. Emotional clarity.

## **Choosing Gratitude**

Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. RadicalWomanhood seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative

approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

## **Great Blank Comic Books for Kids**

What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world
