### **The Unanswered Prayers of Jesus**

Walk with me, find the extraordinary in your ordinary, first alone with God and then perhaps with another as you feel led to share your walk with Jesus using these moments as springboards for conversation. A special word for seekers and believers: Come as you are! You do not have to wait to straighten out your life before you come to Jesus. You do not have to give up any sins or habits before you come to Jesus. American evangelist Billy Graham reminded us, "The blind man came just as he was. The leper came just as he was. The thief on the cross came just as he was. You can come to Christ right now wherever you are and just as you are." If you are trying to work your way into heaven, stop. If you are trying to earn your way into heaven, stop. If you are trying to be good enough to

get into heaven, stop. Salvation is simple. All you must do is call upon the name of the Lord. Romans 10:9, "that if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you shall be saved." Jesus said, "I am the way the truth and the life. No one comes to the Father except through me" (John 14:6). As you walk with Jesus this year, ponder the Lord's presence on your path day by day, I send you along with joy and this blessing from Numbers 6:24-26: May the Lord bless you, and keep you. May the Lord make His face shine on you and be gracious to you. May the Lord lift up His countenance on you, and give you peace.

In *Walking with Jesus: A Way Forward for the Church*, Pope Francis urges us to make Jesus central in our individual lives and in the collective life of the Church—to walk toward him, and ultimately to walk with him at all times and in all places. With a foreword by Archbishop of Chicago Blase J. Cupich, Pope Francis's first major appointment in the United States, *Walking with Jesus* offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.

### **A Walk with God**

Could your past disappointment be the source of your present trouble? Many people are living aimless lives, suffering from depression, anxiety, doubt, cynicism, and fear because of disappointments they have experienced in the past. You may even be affected without realizing it--completely unaware that events that happened long ago are still simmering in the background. But you can find the strength to change the course. In *The Art of Joy* Tracey Armstrong skillfully uses the biblical stories of Sarah, the wife of Abraham, and King David, who both defeated pain and disappointment, to demonstrate not only how to cope with hurt but also overcome it. Now is the time to break the chains of disappointment and experience a dramatic shift in your perspective. Your eyes will

mean the difference between developing a growing positive experience rather than a trip into debilitating depression. Some might classify *When You Walk a Dark Valley* as a self-help book. It is more than that; it is how to turn disaster, overwhelming grief and pain into wells of water springing up like artesian springs for exuberant, thriving in Christ. It is turning bitter experiences produced even by supposed dear friends and loved ones, into victorious Christian living beyond your wildest expectations. It is taking every negative of life and finding incredible joy in Jesus and growth in His grace to become what He intended you to be. It is realizing that the way God has led was right for you and was really from His hand. Beyond all this, it will make the reader an instrument in God's hands to win the very souls who sought to wound him, making him the carrier and administrator of God's ultimate agape love. Realizing more of His selfless love, you will know more of His grace to not merely survive unbearable pain, but then to thrive in His more abundant life. You will find His peace in trusting Him with every inch of your innermost soul. If you personally take these few brief lessons to heart, you will never be the same again. This will be your reward for reading *When You Walk a Dark Valley*!

In this uncertain time there is One you may depend on for now and eternity. He is the same yesterday, today and forever - stable and dependable in every way. Prayerfully, this book will introduce you to Him. Jesus Christ is alive and loves you. Call upon Him while He is near. - Isaiah 55:6 Dear Reader, There is a special revelation for backsliders in this book. I urge you to read it and let the Holy Spirit revive you and your personal relationship with Jesus, our Loving Savior. He did not come to give us religion; He came to give us life, which is in Him. He came so that we should know Him personally and know how much He loves us. Receive His grace to walk in victory by faith and the power of His Holy Spirit. I know there are people out there who once walked with Jesus as out of the Book of Acts and you yearned for everyone to know Jesus. If you have ever been disappointed by people, misguided by religion, overwhelmed by condemnation - dont give up. You were under law, not grace. For the law was given by Moses, but grace and truth came by Jesus Christ. - John 1:17 KJV Give the real Jesus a chance. He is the One - and there is only one - Who truly loves you unconditionally: the Jesus you met at your salvation. Just to truly know Jesus is the abundant life, and you know and remember, by the Holy Spirit. Trust Him again, forever. In Him, br> Joy D. Siano

The author intends to reach out to those of us who are living on the fringe of life.

## **Walking as Jesus Walked**

Since the 1950s, millions of American Christians have traveled to the Holy Land to visit places in Israel and the Palestinian territories associated with Jesus's life and death. Why do these pilgrims choose to journey halfway around the world? How do they react to what they encounter, and how do they understand the trip upon return? This book places the answers to these questions into the context of broad historical trends, analyzing how the growth of mass-market evangelical

and Catholic pilgrimage relates to changes in American Christian theology and culture over the last sixty years, including shifts in Jewish-Christian relations, the growth of small group spirituality, and the development of a Christian leisure industry. Drawing on five years of research with pilgrims before, during and after their trips, *Walking Where Jesus Walked* offers a lived religion approach that explores the trip's hybrid nature for pilgrims themselves: both ordinary—tied to their everyday role as the family's ritual specialists, and extraordinary—since they leave home in a dramatic way, often for the first time. Their experiences illuminate key tensions in contemporary US Christianity between material evidence and transcendent divinity, commoditization and religious authority, domestic relationships and global experience. Hillary Kaell crafts the first in-depth study of the cultural and religious significance of American Holy Land pilgrimage after 1948. The result sheds light on how Christian pilgrims, especially women, make sense of their experience in Israel-Palestine, offering an important complement to top-down approaches in studies of Christian Zionism and foreign policy.

### **Two Dogs recognizing and dealing with our two conflicting natures**

Jesus must be our model for ministry. Sounds obvious, right? Or is it? Jesus, in all His humanity (and all His divinity) shows us the best possible way to live. Through the way He lived, He modeled the priorities of how to multiply "much fruit." Following Jesus' example, His disciples then changed the course of history. How then can we follow Jesus' example? We must study His life. How did Jesus pray? In what types of relationships did He invest? Where were His priorities? Can my priorities be His priorities? Can I walk like He walked? What we do with Jesus MATTERS. Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting, ministry-altering study to really begin to walk as Jesus walked.

Integrating counseling--theory and practice--with the biblical revelation has now been attempted many times and with considerable success. However, in *Walking Alongside*, Bill Andersen has attacked the connection from a different angle. His starting point is what the Bible says about people, and God's relationship with them. He has chosen, from biblical theology, major features that should characterize Christian life, and has used these as presuppositions for any form of people-helping, but especially for counseling. From here the task has been to trace their therapeutic effects in the lives of those human beings needing such help.

Do you do more, buy more, pray more, sacrifice more and be more to more people, hoping to stumble upon that one elusive thing that keeps you from happiness? It may be time to change your strategy. ### **Organic Outreach for Ordinary People**

Most people who call themselves followers of Jesus have a deep desire to tell others about God's amazing grace. Yet at the same time, they avoid evangelism and often feel guilty for doing so. Pastor Kevin Harney wants to see this change. He is convinced that ordinary Christians can share the extraordinary love of God in ways that are natural and normal and simple! Kevin was raised in a loving, healthy, non-Christian home. He feels as comfortable around people who are far from God as he does with those who have been in the church their whole lives. In this book Kevin offers forty ways any Christian can take simple steps forward in learning to share what is most important, the message of God's life-changing love revealed in Jesus. In *Simple Evangelism* you will discover that God longs to work through you to bring his good news to a world in need. And you will be overjoyed as you discover that the pathway to fruitfulness in evangelism is paved with simple attitude adjustments, actions, and spiritual exercises that anyone can do including you!

Many Christians find themselves unable to escape from past sins. They have repented of them, they

have handed them over to God. But they can't forget them. Instead they relive their past over and over and, in the process, become increasingly burdened by a sense of failure. Carrying this false guilt around can be like walking backwards - exhausting, awkward and confusing. Jeff Lucas reminds us that it is God's will that we leave our past failures behind us. When we confess our sins, God's forgiveness is total! Only when we fully understand this will we be able to turn round and face the future, and be free to enjoy the life and hope he has to offer.

more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit over time. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view.

"Dear friends, be glad! Do not be afraid of being joyful!" —Pope Francis, from *The Joy of Discipleship*

Near the end of Luke's Gospel, two disciples slowly make their way home from Jerusalem to the village of Emmaus. At the outset, they are deeply saddened by Jesus' tragic death. By that evening, however, they have made a 180-degree turn: from dejected disciples to followers filled with joy—a joy they simply must share with others as fast as they can. What accounts for this change? They have encountered the risen Christ! In *The Joy of Discipleship*, Pope Francis

reminds us that joy should be one of the defining characteristics of any person who has truly encountered Jesus. This skillfully curated collection of homilies, speeches, and other documents from Pope Francis, compiled and edited by James P. Campbell, offers a fresh perspective on why Christian disciples should be so joyful in the first place and how that joy might manifest itself in our individual daily lives. Covering a broad range of themes—Christ’s Resurrection, mercy, wealth and poverty, the Christian family, and more—The Joy of Discipleship moves us to meditate on Christ and then inspires us to move out from our own four walls, jubilantly proclaiming God’s transforming love in word and deed. For anyone who wants what Pope Francis has—an active, abiding, authentic love for Jesus Christ, for the Church, and for the people of this world—The Joy of Discipleship will point the way. “This volume gives us a portrait of the Pope and what amazing joy fills his life, his mind, his teaching . . . his discipleship!” —From the foreword by Daniel Cardinal DiNardo
