Meditations on the Glory of Christ

Every Breath You Take

Meditations on the Glory of Christ is the beginning volume in a new series. Each day, you will read a Scripture passage, and then the author will lead you through a devotion concerning Christ's glory found in that passage. Following this path, you will have read Genesis through 2 Chronicles in a year, savoring the wonder of Christ. So grab your Bible and this book, and seek His glory!

It's Not Supposed to Be This Way

In October 1975, Eleanora Gambino was working on her masters degree in special education at Southern Connecticut State University in New Haven, Connecticut. One of the classes that she was taking was a course on cerebral palsy. One night, a documentary entitled Like Other People was shown. It was about two young people who had cerebral palsy and were planning to get married. Eleanora was newly engaged to be married to a man who has cerebral palsy. Eleanora was born with cerebral palsy. She identified with many of the experiences the couple in the documentary was being subjected to. At the end of the documentary, the professor asked individuals what they thought of the documentary. One member of the class always arrived late and would sit near the door. He was a speech therapist.

Eleanora always arrived early and would sit near the windows in front of the room. He never observed Eleanora walking. At that time, she walked with the classic scissored cerebral palsy gait. When the professor asked the speech therapist what he thought of the documentary, he replied, The documentary is unrealistic. Disabled people are too involved in themselves. They cannot love.

When God Laughs & Other Stories is an outstanding collection includes of stories from the author of Call of the Wild, White Fang and other classic works. Included here are five short stories entitled: When God Laughs; The Apostate; A Wicked Woman; Just Meat; Created He Them. This is a fabulous volume for those fans of Jack London. Jack London was an American author, journalist, and social activist, a pioneer in the world of commercial magazine fiction and was one of the first fiction writers to obtain worldwide celebrity and a large fortune from his fiction alone. He is best remembered as the author of Call of the Wild and White Fang, both set in the Klondike Gold Rush. He also wrote of the South Pacific in such stories as The Pearls of Parlay and The Heathen, and of the San Francisco Bay area in The Sea Wolf.

“This book—the fullness, depth, and beauty of Sarah Bessey’s faith and artistic genius—is a miracle” (Glennon Doyle, #1 New York Times bestselling author of Love Warrior) and an unforgettable and life-affirming exploration of how trauma can strengthen your faith and miracles can be found in unexpected places. In the brief instant Sarah Bessey realized that her minivan was, inevitably, going to hit the car on the highway on the bright, clear day of the crash, she knew intuitively that it would have life-changing consequences. But as she navigated the winding path from her life before the accident—as a popular author, preacher, and loving wife and mother—to her new life after, inhabiting a body that no longer felt like her own, she found that the most unexpected result was how it shook her deeply rooted faith, upending everything she thought she knew and held so dearly. Weaving together theology and memoir, Sarah delivers “a well-written reminder of

seeing the miracles in life's highs and lows" (Library Journal). The road of healing leads to Rome where she met the Pope (it's complicated) and encountered the Holy Spirit in the last place she expected. She writes about her miraculous healing, learning to live with chronic pain, and the ways God makes us whole in the midst of suffering. She invites us to a path of knowing God that is filled with ordinary miracles, hope in the face of overwhelming evidence to the contrary, and other completely reasonable things. Insightful, profound, and unexpected, "Sarah's writing is so breathtaking, sometimes you think you are reading poetry. The story is so thrilling, sometimes you think you are devouring a novel. And the Spirit she describes is so compelling, you'll swear you experienced a revival. You won't put it down once until you close the last page" (Jen Hatmaker, New York Times bestselling author).

Miracles and Other Reasonable Things

Often overlooked in accounts of World War II is the Soviet Union's quiet yet brutal campaign against Polish citizens, a campaign that included, we now know, war crimes for which the Soviet and Russian governments only recently admitted culpability. Standing in the shadow of the Holocaust, this episode of European history is often overlooked. Wesley Adamczyk's gripping memoir, *When God Looked the Other Way*, now gives voice to the hundreds of thousands of victims of Soviet barbarism. Adamczyk was a young Polish boy when he was deported with his mother and siblings from their comfortable home in Luck to Soviet Siberia in May of 1940. His father, a Polish Army officer, was taken prisoner by the Red Army and eventually became one of the victims of the Katyn massacre, in which tens of thousands of Polish officers were slain at the hands of the Soviet secret police. The family's separation and deportation in 1940 marked the beginning of a ten-year odyssey in which the family endured fierce living conditions, meager food rations, chronic displacement, and rampant disease, first in the Soviet Union and then in Iran, where Adamczyk's mother succumbed to exhaustion after mounting a harrowing escape from the Soviets. Wandering from country to country and living in refugee camps and the homes of strangers, Adamczyk struggled to survive and maintain his dignity amid the horrors of war. *When God Looked the Other Way* is a memoir of a boyhood lived in unspeakable circumstances, a book that not only illuminates one of the darkest periods of European history but also traces the loss of innocence and the fight against despair that took root in one young boy. It is also a book that offers a stark picture of the unforgiving nature of Communism and its champions. Unflinching and poignant, *When God Looked the Other Way* will stand as a testament to the trials of a family during wartime and an intimate chronicle of episodes yet to receive their historical due. "Adamczyk recounts the story of his own wartime childhood with exemplary precision and immense emotional sensitivity, presenting the ordeal of one family with the clarity and insight of a skilled novelist. . . . I have read many descriptions of the Siberian odyssey and of other forgotten wartime episodes. But none of them is more informative, more moving, or more beautifully written than *When God Looked the Other Way*."—From the Foreword by Norman Davies, author of *Europe: A History and Rising '44: The Battle for Warsaw* "A finely wrought memoir of loss and survival."—Publishers Weekly "Adamczyk's unpretentious prose is well-suited to capture that truly awful reality." —Andrew Wachtel, *Chicago Tribune* Books "Mr. Adamczyk writes heartfelt, straightforward prose. . . . This book sheds light on

more than one forgotten episode of history.”—Gordon Haber, New York Sun “One of the most remarkable World War II sagas I have ever read. It is history with a human face.”—Andrew Beichman, Washington Times

Peace

This incredible story is one that was almost not told. Out of the millions that were imprisoned and perished in Nazi concentration camps during World War II, Benjamin survived the Mauthausen sub-camp at Melk and the hellish nightmare that was Guns kirchen. Benjamin immigrated to the United States and became a respected public school teacher. So imagine his horror when, one day, he was unceremoniously fired for being "Too Jewish." When Boston-based civil rights attorney and author, Frederick Golder, heard about the 'reason' for Benjamin's dismissal he took on the case-pro bono. During meetings for the purpose of putting together a lawsuit, Benjamin slowly and painfully related the details of his ordeal to the author. "When God Looked Down and Wept" is the result. It is an account of one man's physical and spiritual endurance as well as his battle against discrimination and for the First Amendment right to freedom of religious expression.

The Case for God

From the bestselling author of *A History of God* and *The Great Transformation* comes a balanced, nuanced understanding of the role religion plays in human life and the trajectory of faith in modern times. Why has God become incredible? Why is it that atheists and theists alike now think and speak about God in a way that veers so profoundly from the thinking of our ancestors? Moving from the Paleolithic Age to the present, Karen Armstrong details the lengths to which humankind has gone to experience a sacred reality that it called God, Brahman, Nirvana, Allah, or Dao. She examines the diminished impulse toward religion in our own time when a significant number of people either want nothing to do with God or question the efficacy of faith. With her trademark depth of knowledge and profound insight, Armstrong elucidates how the changing world has necessarily altered the importance of religion at both societal and individual levels. And she makes a powerful, convincing argument for structuring a faith that speaks to the needs of our dangerously polarized age. From the Hardcover edition.

In the Spirit of Love

On the 8th Day God Looked Over His Land and Said I Need a Healer Then He Created a Nurse

This revelatory new translation of Job by one of the world's leading biblical scholars will reshape the way we read this canonical text The book of Job has often been called the greatest poem ever written. The book, in Edward Greenstein's characterization, is "a Wunderkind, a genius emerging out of the confluence of two literary streams" which "dazzles like Shakespeare with unrivaled vocabulary and a penchant for linguistic innovation." Despite the text's literary prestige and cultural prominence, no English translation has come close to conveying the proper sense of the original. The book has consequently been misunderstood in innumerable details and in its main themes. Edward Greenstein's new translation of Job is the culmination of decades of intensive research and painstaking philological and literary analysis, offering a major reinterpretation of this canonical text. Through his beautifully rendered translation and insightful introduction and commentary, Greenstein presents a new perspective: Job, he shows, was defiant of God until the end. The book is more about speaking truth to power than the problem of unjust suffering.

The Blessing of Forgiveness

The All-Seeing Unseen Eye of God and Other Sermons

The author of Miss Venezuela exposes and celebrates the controversial religion of Christian Science, focusing on her own struggle to keep her faith as she watched in bewilderment while her mother died of cancer, an illness that prayer could not cure for her.

When God Made You

World War II was—and remains—one of the bloodiest wars in history. Not only did millions of soldiers die in combat but millions of civilians lost their lives—some for no greater crime than their religious heritage or their nationality. The Soviets, at first allied with the Germans, incarcerated thousands of Polish military officers and reservists in the pre-established Soviet camps of Ostashkov, Starobelsk and Kozelsk. On March 5, 1940, Joseph Stalin and his lieutenants signed an execution order for 25,700 Polish prisoners of war. After months of hardship and interrogation, 14,700 prisoners from these camps were taken to remote areas, murdered with a shot to the back of the head and buried in mass graves. Later, when Germany turned its sights on the Soviet Union, the USSR allied itself with the West. With the discovery of the first of the mass burials by the Germans in the Katyn Forest (the area from which the entire massacre gets its name), the Soviets attempted to place the blame for the atrocities on the Germans in spite of a plethora of evidence to the contrary. Only in 1990, with the fall of communism, did President Mikhail Gorbachev admit Soviet responsibility for the Katyn murders. Compiled from a series of interviews, this emotionally moving account records the stories and fates of 18 men and women, 16 of whom lost their fathers in the Katyn massacre. The author traveled to Poland, Lithuania, Ukraine, Canada and the United States to talk extensively with the 18, recording their thoughts, feelings, memories and experiences of the hardships during and after the war. Photographs and maps are included.

Job

This volume is a compilation of Newcomen's most rare sermons. The sermons reflect a life dedicated to experiencing and understanding the bible, spiritual truth, and experimental Christianity. His preaching is eminently biblical, energetic and powerful. They clearly display the peculiar ability Newcomen had to capture the attention of a church congregation in order to teach them the great truths of the Gospel of Jesus Christ. His first sermon covers, "The All-Seeing Unseen Eye Of God" which is a fantastic exhortation to holiness taken from Hebrews 4:13, "But all

things are naked and open unto the eyes of him, with whom we have to do." God knows every person who ever was or will be, all their works, all their speeches, and all their thoughts, and such things are always present in the mind of God. This should prompt us to fear and revere God. This sermon alone is worth the cost of the volume. It is best exhortation on this subject matter in print. "The Craft and Cruelty of the Church's Adversaries" is a powerful polemic against Roman Catholicism, Arminianism and Libertinism which deters Christians to the true faith found in Jesus Christ alone. He explains Nehemiah 4:11, "And our adversaries said, They shall not know nor see, till we come in the midst among them, and slay them, and cause the work to cease." He shows how the church is at war with the wicked designs of men who would tear down the work of Jesus Christ. Also included is "Jerusalem's Watchman," "Walking Worthy of the Gospel," and a funeral sermon on Acts 13:36. This work is not a scan or facsimile and has been made easy to read with an active table of contents for electronic versions.

God Looked Down and Saw a Baby

We live in a world filled with injustice and evil, and there is nobody on the planet who has not suffered. There are famines and wars, earthquakes and tsunamis, wicked governments, racial prejudices, and diseases. We all have been hurt, attacked, mistreated, deceived, or falsely accused. God allows this. He could stop it. After all, He is unlimited in power and knowledge. But God doesn't stop it. Why? In the third title of his series on forgiveness and his most important book to date, R. T. Kendall tackles this question head-on, demonstrating why we need to release God from the blame we put on Him when we feel He has betrayed us.

There's Power Inside of a Woman

This book was written for those looking for peace in their lives. It helps explain how and why peace was lost through the man Adam, and how we can regain that which was lost through and by Jesus Christ, the Prince of Peace. That you may come to know the peace that passes all understanding, when the world around us is in a state of confusion and fear.

Fiction. AS GOD LOOKED ON is a dark comedic narrative with threads that begin on a bus ride to Daytona and along a mountainside in southern Mexico: one young woman running from a murder and away from her young son; a young Mexican boy and his aunt heading to America after being kidnapped by drug lords. The threads knot in Tennessee and again somewhere else. Along the way to that somewhere: a female serial killer in an Irish Punk Band; a badly deformed man obsessed with the movie, Remember the Alamo; a Gulf War vet suffering from PTSD; and four cheerleaders and an iPod.

When God Places You in Authority Over Others

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. WHEN GOD WINKS is a fascinating bridge to self-discovery.

The Biscuit on the Back of the Stove and Other Images of God

It starts with God and tells about the world so that a small child would understand. It is written in rhythm, so parents can easily read it to children. It helps the child understand the world. What is special is that it gives a good, new type of relationship between God and Jesus Christ. It naturally gives deep religious ideas about the life of Jesus and how it all fits in his mission on earth, giving a human and divine portrayal of his life and allowing children to easily understand it. It starts with the idea that God saw a baby and wondered what it is to be a baby. He gets the plan of sending Christ to earth to be a baby and to grow up to be a man. Jesus then goes to earth and becomes a baby. For the plan to work, Jesus has to not know his divine nature and become just like any baby on earth. This gives children a sense of the human nature of Jesus. Then when he is twelve, he gets a dream of his former divine nature, and when he is baptized, he gets to know his full divine nature. He goes to the high hills and plans his future life to explain to people his divine mission. He gets twelve men to help him. Children naturally learn Jesus' human and divine natures. The last chapter makes children feel that Jesus is watching out for them and answering their prayers.

CRASH and other STORIES

New York Times bestselling author Lysa TerKeurst unveils her heart amid shattering circumstances and shows readers how to live assured when life doesn't turn out like they expected. What do you do when God's timing seems questionable, His lack of intervention hurtful, and His promises doubtful? Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness. Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to: Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations. Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes. Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle. Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us. Know how to encourage a friend and help her navigate hard realities with real help from God's truth.

As God Looked on

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

When God Looked the Other Way

Do you know the reason for your unhappiness? When attitudes toward others are based on past wounds and deception, the result cannot be good fruit. People in a state of distortion do not make wise decisions. Pride and a spirit of selfishness can have enormous consequences, actually resulting in physical illness and depression. Joy in your heart, a smile on your lips, and an attitude of forgiveness toward yourself and your offenders are vital elements in healing. The ideas of retaliation and revenge come from the Evil One who takes pleasure in destroying relationships. If Satan succeeds in stealing your joy and your peace, you may be on the road to a complete meltdown. We must resist the devil. He is the source of disorder and confusion. Condemnation is never the answer. Forgiveness is an indispensable ingredient for spiritual and emotional deliverance and is a spiritual act we can only manage by faith. Respect, care, and empathy offer hope of permanent healing.

In her book, *What Does God Want From Me?* Peggy Merritt Hammond shares her personal journey to the heart of God. Watch how her faith grows as she learns to hear God's voice, learns to trust God and finds peace and direction for her life. Follow Peggy through divorce, depression, sickness, loss, etc. and discover how you, too, can come out a winner! Do you know without a doubt that God loves you? I mean really know that you know that God loves you! If you really know that God loves you, then you can trust Him with your life. You can trust Him, no matter what the circumstances, to bring all things together for your good and His glory. When we take our requests and desires to God we demonstrate our trust in Him. God wants to be involved in every detail of our lives. It's what we trust in but don't yet see that keeps us going. Peggy shares her desire to fall in love with Jesus and hopes that her book will encourage you to do the same. The better we know someone, the more we like them; and the more we like them, the more we want to know them. She encourages everyone to read the Bible and get to know God on their own terms, to develop their own personal relationship with Him as Paul tells us in *Philippians 2:12-13*: work out your salvation with fear and trembling, for it is God who works in you to will and to act according to his good purpose.

Authority is a responsibility not to be taken lightly. Unfortunately in today's society, it often is. Some husbands abuse the God-given mandate to love and support their wives. Some parents doubt the command they should take in raising their children. Some teachers lose sight of the importance of inspiring students. Some supervisors exploit the respect of their employees. The divinely intended chain of authority has been turned on its head, and it's time for the church and society to do something about it. It's time for us to set the example and start following God's guidelines for authority. Whether you're a husband or wife, a mother or father, a teacher or supervisor, new author Rastonya Lee inspires you to be the best you can be. Discover what to do When God Places You in Authority over Others.

For the past two years, Craig Groeschel (www.lifechurch.tv) and his church have hosted an international multi-church campaign called ONE PRAYER, a month-long concerted focus on unifying the many different, diverse churches participating by praying together and serving their local communities. In 2009, ONE PRAYER campaign attracted over 2,000 churches and over 1,000,000 church members. Many of these churches are high-profile evangelical churches with pastors who are also successful authors and speakers. The campaign continues to attract interest from more and more churches and ministries. The 2010 campaign, scheduled for June, is expected to grow by 50 percent. This compilation book features chapters by seventeen passionate church leaders, including Andy Stanley, Francis Chan, Jentezen Franklin, Perry Noble, Steven Furtick, and others.
