The Light in the Forest

McGraw-Hill Education PSAT/NMSQT

The table was of hand-hewn spruce boards, and the men who played whist had frequent difficulties in drawing home their tricks across the uneven surface. Though they sat in their undershirts, the sweat noded and oozed on their faces; yet their feet, heavily moccasined and woollen-socked, tingled with the bite of the frost. Such was the difference of temperature in the small cabin between the floor level and a yard or more above it. The sheet-iron Yukon Stove roared red-hot, yet, eight feet away, on the meat-shelf, placed low and beside the door, lay chunks of solidly frozen moose and bacon. The door, a third of the way up from the bottom, was a thick rime. In the chinking between the logs at the back of the bunks the frost showed white and glistening. A window of oiled paper furnished light. The lower portion of the paper, on the inside, was coated an inch deep with the frozen moisture of the men's breath.

An adventurous story of a frontier boy raised by Indians, *The Light in the Forest* is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the Pennsylvania frontier and adopted by the great warrior Cuyloga. Renamed True Son, he came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them. From the Paperback edition.

by PBS's The Great American Read At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for "no problem"). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith. Set against London's racial and cultural tapestry, venturing across the former empire and into the past as it barrels toward the future, *White Teeth* revels in the ecstatic hodgepodge of modern life, flirting with disaster, confounding expectations, and embracing the comedy of daily existence.

2 B R 0 2 B is a science fiction short story by Kurt Vonnegut. The title is pronounced "2 B R naught 2 B", referencing the famous phrase "to be, or not to be" from William Shakespeare's Hamlet, Prince of Denmark. In this story, the title refers to the telephone number one dials to schedule an assisted suicide with the Federal Bureau of Termination. Vonnegut's 1965 novel God Bless You, Mr. Rosewater describes a story by this name, attributing it to his recurring character Kilgore Trout, although the plot summary given is closer in nature to the eponymous tale from his short-story collection Welcome to the Monkey House. The setting is a society in which aging has been cured, individuals have indefinite lifespans, and population control is used to limit the population of the United States to forty million. This is maintained through a combination of infanticide and government-assisted suicide - in short, in order for someone to be born, someone must first volunteer to die. As a result, births are few and far between, and deaths occur primarily by accident.[fi](#)

One Thousand White Women is the story of May Dodd and a colorful assembly of pioneer women who, under the auspices of the U.S. government, travel to the western prairies in 1875 to intermarry among the Cheyenne Indians. The covert and controversial "Brides for Indians" program, launched by the administration of Ulysses S. Grant, is intended to help assimilate the Indians into the white man's world. Toward that end May and her friends embark upon the adventure of their lifetime. Jim Fergus has so vividly depicted the American West that it is as if these diaries are a capsule in time.

The Call of the Wild

“Don’t miss this dazzling tour de force.”—Katherine Applegate, Newbery Medal winning author of *The One and Only Ivan* This gripping novel about survival and family is based on the real story of one wolf’s incredible journey to find a safe place to call home. Illustrated throughout, this irresistible tale by award-winning author Rosanne Parry is for fans of Sara Pennypacker’s *Pax* and Katherine Applegate’s *The One and Only Ivan*. Swift, a young wolf cub, lives with his pack in the mountains learning to hunt, competing with his brothers and sisters for hierarchy, and watching over a new litter of cubs. Then a rival pack attacks, and Swift and his family scatter. Alone and scared, Swift must flee and find a new home. His journey takes him a remarkable one thousand miles across the Pacific Northwest. The trip is full of peril, and Swift encounters forest fires, hunters, highways, and hunger before he finds his new home. Inspired by the extraordinary true story of a wolf named OR-7 (or Journey), this irresistible tale of survival invites readers to experience and imagine what it would be like to be one of the most misunderstood animals on earth. This gripping and appealing novel about family, courage, loyalty, and the natural world is for fans of Fred Gipson’s *Old Yeller* and Katherine Applegate’s *Endling*. Includes black-and-white illustrations throughout and a map as well as information about the real wolf who inspired the novel.

Jacob Two-Two Meets the Hooded Fang

First published in 1909, “Martin Eden” is a novel by American writer Jack London. The story revolves around a young lower-class autodidact named Martin Eden and her struggle to become a writer in the face of great adversity. John Griffith London (1876 - 1916), commonly known as Jack London, was an American journalist, social activist, and novelist. He was an early pioneer of commercial magazine fiction, becoming one of the first globally-famous celebrity writers who were able to earn a large amount of money from their writing. Other notable works by this author include: “The Cruise of the Dazzler” (1902), “The Kempton-Wace Letters” (1903), and “The Call of the Wild” (1903). Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

The Human Drift

The short story "The Law of Life" by Jack London is a study on the human psyche, as one faces the familiar cycle of life and death. Old Koskoosh, who is the father of his Native American tribe's chief, is dying. As his people leave him and he lays on the ground in his final hours to wait for his end, he looks back on his life. Memorable events fill his thoughts until the very end - even until the wolves arrive.

The short story is one of London's stories inspired by the period the writer spent at the Klondike Gold Rush in the late 19th century and was published in the early 20th century. Jack London (1876–1916) was an American writer and social activist. He grew up in the working class, but became a worldwide celebrity and one of the highest paid authors of his time. He wrote several novels, which are considered classics today, among these 'Call of the Wild', 'Sea Wolf' and 'White Fang'.

The End of the Story

Three decades of short fiction by one of the most innovative and exciting writers of our day In Louise Erdrich's fictional world, the mystical can emerge from the everyday, the comic can turn suddenly tragic, and violence and splendor inhabit a single emotional landscape. The fantastic twists and leaps of her imagination are made all the more meaningful by the deeper truth of human feeling that underlies them. These thirty-six short works selected by the author herself—including five previously unpublished stories—are ordered chronologically as well as by theme and voice, each tale spellbinding in its boldness and beauty. The Red Convertible is a stunning literary achievement, the collected brilliance of a fearless and inventive writer.
