The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

While hiking on a lonely mountain in Arkansas, Jacob Barclay finds a cabin with a terrible secret. Sheriff Billy Joe Shoemaker discovers that his small, backwoods town may hold more danger than he ever imagined. Molly Carothers, lost in a sea of woods, starving and scared, believes she has found a guardian angel to free her. Brian Carothers, haunted by his family's heritage, struggles with his sanity. Victor Carothers sees his power increase. As his appetites are sated, he oils his guns and plots his next victim. The lives of the town of Bexton, Arkansas depend upon Jacob, the strange Yankee seeking adventure and solace. Jacob finds he is faced with a struggling faith, and the realization that sometimes evil runs in the family.

Songs of My Life . . . Slightly Out of Tune speaks to a generation of women and men over the age of 40 who are dealing with life's challenges, both big and small. Susan Dintino writes about love, marriage, family, aging, health scares, parenting, and staying relevant and excited about what life has to offer. Her message is one of hope, and her conclusion is that we're all trying to do our best, and it's better if we can do so with a smile. Susan offers gentle advice, the kind that comes from a lifetime of experience: What should you do if your spouse loves to give you the silent treatment? How do you conquer your own fears in order to be "cool enough" to your kids during a European school trip? How do you interact with a terminally ill sibling and deal with the regrets of not spending enough time with each other? How can you make sure that you're a good mate, parent, and person? This book shows you that life is like a song. You learn the words, but that's not the end, because the tune can change at any time. Susan shares her journey in such a way that you'll smile, tear up, wince, and nod your head in time to her song, because all of us are the same: We're slightly out of tune, too.

It's a fast-paced world out there, and nobody knows it better than moms. With all their "must-dos," finding a moment to enjoy their scrapbooking can be a problem. Here's the solution: a book that speaks directly to these busy mothers, offering support, information, and really fabulous ideas for creating great scrapbook art. Women will love the narrator's voice (a mom, of course) that runs through the guide in the form of sticky notes and messages to herself. Honest and humorous, she represents the typical "scraper," and with her, readers can explore ideas for time management, discover scrapbooking inspiration in everyday objects, learn clever tips for journaling on the go, and see how technology can become their best friend.

According to American Cancer Society, every year more than 500,000 people die from cancer. Out of those half million, 100,000 are from colon cancer. Colon cancer is one of the silent killers, but is it really silent or are we just not listening? This book is a true story about my daughter, Dorothy, in her twenties, discovering she has colon cancer and her struggle to live. When I found out that my daughter had colon cancer, I fell apart. The only way I could deal with it was to write down not just her journey, but also mine .

of Isola di Squalo, and the other will be the next. Their lives are so different, yet they are very much the same. Each struggles with the position of authority into which he has been thrust. Neither feels qualified, and neither knows where to go for help. What does it take to be a good King? Can one man do it alone? Through struggle and storm, each will make a journey of self-discovery to assess whether he truly can rule, involuntarily or not. Sometimes, the calm in the eye of the storm must come from within.

The Red Top Hat

"This book is a slice of intensified history—history as I saw it." So begins John Reed's first-hand account of the Bolshevik Revolution of 1917. Much anticipated when it was published in 1919, Reed's narrative remains as riveting today as when the events he describes were still reverberating throughout the world. Reed was hardly a disinterested observer, and his involvement in the Communist labor movement lends urgency and passion to his classic account. He vividly describes events in Petrograd in November 1917, when Vladimir Lenin and the Bolsheviks stormed the Winter Palace and seized the reins of power. Despite Reed's personal leanings, which he made no attempt to hide, the book garnered praise from luminaries across the political spectrum. George F. Kennan, the American diplomat, and father of the policy of Soviet containment, said that "Reed's account of the events of that time rises above every other contemporary record for its literary power, its penetration, its command of detail. It will be remembered when all others are forgotten." Reed was committed to telling the story of the Russian revolution as truthfully as possible. That the book was banned by Russian premier Josef Stalin is a testament to the author's success in carrying out his mission. One hundred years after Russia and the world trembled, *Ten Days that Shook the World* brings alive the momentous events of 1917.

Dark Mountain

DIVNEW YORK TIMES BESTSELLER AND NATIONAL BOOK AWARD FINALIST A lyrical and authentic book that recounts the story of a border-town family in Brownsville, Texas in the 1980's, as each member of the family desperately tries to assimilate and escape life on the border to become "real" Americans, even at the expense of their shared family history. This is really un-mined territory in the memoir genre that gives in-depth insight into a previously unexplored corner of America./div

The Graves Family

"1788. In the cold, black hold of a sailing ship, a young woman lies dying, tormented that her death will mean nothing. Only the will to find a purpose for her life keeps breath in her tired body. Far away, a mother peers into the night sky, agonizing over the loss of her infant daughter nineteen years before. A haunting vision will not leave her, whispering of a living tie to that baby long ago. Worlds apart and unaware of one another, the mother and daughter fight their lonely battles for survival. Between them-- a man rising to greatness with the new America will bring them together."--back cover.
